

Nebula

From September 2021, Sheffield Springs Academy is proud to announce the start of our new STEM programme  **Nebula** ·

- *Do you have in special interest in science, technology, engineering and maths?*
- *Do you have a passion for learning and show perseverance when tackling the most challenging scenarios?*
- *Do you want to explore the world of STEM through learning, meeting careers-insiders and getting hands on experiences in the workplace?*

Why Nebula?

- More time dedicated to studying STEM subjects with specialist teachers.
- Compulsory extra-curricular activities such as music lessons and robotics club.
- Industry-led lecture series to discover and discuss current issues in STEM fields.
- Exploration of STEM careers and links with further education institutions.

Applications forms can be found via our website.

The application window closes Friday 23rd April 2021.

Successful students will be contacted for aptitude testing in May 2021.
