

# Sheffield Springs Academy

The best in everyone™

Part of United Learning

Dear New Students

I am Jess Anderson and I am currently in Y9 at Sheffield Springs Academy. I moved up from Gleadless Primary in 2017. We chose Springs Academy due to it having the best facilities to meet my needs.

I enjoy playing football for the school football team and refereeing for the younger years as it gives me a chance to experience new things.

My favourite subject is PE because it is interesting to experience the different sports, but football is my favourite. Another one of my favorite subjects is mathematics because I enjoy the logic and the working out of the problems.

All the teachers are great at the Academy. They are enthusiastic about the subject that they teach which helps you learn more. They are all really welcoming and they encourage you to work hard and ask for help if needed. You can speak to any teacher at any time because they are really caring and want you to have the best time you can at Sheffield Springs Academy.

Rewards are great here. You can earn achievement points which add up. This enables you to earn many more rewards such as end of year school trips. Over the past 2 years at Sheffield Springs Academy, I have won overall year 7 and year 8 champion. This encourages me to work even harder because it means that any important visitor that enters the Academy will see my name on the honors board in the Academy reception. This could be you. You can also win overall subject champion at the end of each half term, this encourages you to work hard and even if you have a bad half term, there's always next half term. Overall Sheffield Springs Academy offers many opportunities

The Bridge is where I found my comfort zone when I started at Springs. It helped me settle into the school, and now I go into the bridge everyday if I need to talk to anyone or just meet my friends for a chat. The Bridge is also a place where you can make new friends from all year groups and where you can have fun in a safe environment.

I look forward to seeing you around the Academy next year.

Thanks for reading.

Jess Anderson
