## THE ACADEMY DAY

One of the biggest differences between primary and secondary school is the large number of different lessons, in different classrooms, with different teachers. At the Academy it will be your responsibility to move from one lesson to the next, but there will be lots of members of staff available to show you where to go while you settle in.

The timings for each lesson throughout the academy day are listed below:

8.35	Movement Bell
8.40	Registration with form tutor
9.10	Period 1
10.00	Period 2
10.50	Break
11.05	Movement Bell
11.10	Period 3
12.00	Period 4
12.50	Lunch
13.15	Movement bell
13.20	Period 5
14.10	Period 6
End	End of the day/ Extra curricular clubs

Whenever you hear a movement bell you should make your way to your lessons as quickly and quietly as possible.
