

22nd September 2020

Dear Parent/ Carer

We are really excited to inform you that all students in year 7 will be involved in a pilot programme which will support them in their maths learning this year.

The pilot will involve every student getting generated bespoke homework that is perfectly tailored to their needs.

Each week, provided you have given the school your email address, Sparx will send you an update on upcoming homework and on the progress of your child.

To view some top tips on what you can do to support your child with their Sparx learning please [click here](#).

The article has lots of helpful information including:

- Encouraging good habits
- Getting logged in to Sparx
- What exactly is Sparx Maths Homework?
- What are 'bookwork checks'?
- How can I support my child when they're stuck?

Yours sincerely

Mr Kerfoot
Assistant Curriculum Area Leader of Maths and Sparx Leader
