

Uniform from September 2025

Lanyards must be worn at all times. Each year group has their own colour.

Year 7 -	
Year 8 -	
Year 9 -	
Year 10 -	
Year 11 -	

Sheffield Springs Academy Navy Blazer. Students can wear either the blazer or the Springs Academy jumper or both.

Plus...

Black school shoes. Must have black soles and black laces if laced. Heels, trainers or pumps are not permitted.

PE Kit

Sheffield Springs Academy
The best in everyone™
Part of United Learning

All students must wear a branded Springs PE polo shirt.

Non-Springs branded items should not have any visible logos (i.e. sports brands logos).

Jewellery is not allowed to be worn.

If students arrive in incorrect uniform or without kit, they will be expected to borrow from the PE department. Failure to comply will result in the whole school behaviour policy being applied - see our website for the policy.

If a student cannot take part, they are still expected to bring their kit and get changed, as well as a note from their parent in their student planner.

Optional - Springs hoodie may be worn on top of the Springs branded polo shirt.

Sheffield Springs Academy hoodie or plain navy or plain black hoodie/sweater

If a plain navy or black hoodie is worn, the Springs branded polo shirt must be worn over the top (as the item of clothing with the Springs branded logo must be visible).

Optional - A plain (non-Springs branded) navy or black hoodie may be worn.

Optional

Optional - Springs branded waterproof coat.

No coats, other than a Springs branded waterproof coat are allowed to be worn in PE lessons.

Must be worn - Plain (non-Springs branded) navy or black PE sports shorts or tracksuit bottoms or sports leggings.

These items are optional:

Hat
Gloves
Under layers
Sports socks

We also advise that students wear shin pads when playing Football and/or Hockey due to their being a competitive element as part of the lesson. Modified rules are enforced, for example, no slide tackles. However, PPE significantly reduces the possibility of injury.

Must be worn - Trainers of any colour.

Sports bras are recommended during exercise because they offer crucial support and comfort during physical activity, reducing breast movement and potential pain or discomfort.

They help prevent long-term damage to breast tissue and can boost confidence and enjoyment of exercise.
